Dan – two things. I’m fine with this closure if everyone else is OK with it. But it does seem to be another sidewalk closure already for TCL, and the same month as the LA Marathon, Oscars, and the Zootopia full closures.

Second, we were contacted by my predecessor here at HPOA, Katie Zandona, whose family owns the building that Madame Tussauds is located in. She is going to start coming to the committee meetings to represent the property owner and she mentioned they are very concerned with the number of sidewalk and street closures. Just a heads up.

Thanks

Devin
